PRESIDENT'S MESSAGE

DR. JAYANT SHARMA
PRESIDENT, ASAMI INDIA
ORGANISING CHAIRMAN

Greetings from the President, ASAMI India.

It is with immense pride and deep humility that I accept the honour of serving as the President of ASAMI India—a prestigious organisation that stands as a beacon of academic excellence in the field of Ilizarov methodology for deformity correction, limb reconstruction, and lengthening.

This year, we embrace the Presidential theme:

"Together We Build: Expanding Horizons in Limb Reconstruction"

— a call for unity, innovation, and outreach as we collectively push the boundaries of what's possible in our specialty.

My vision is to transform ASAMI India into a vibrant, inclusive, and forward-thinking organisation, anchored in our core motto: **"Let's Teach the Basics."**

I firmly believe that strong foundational training is the bedrock of clinical excellence. Hence, my foremost focus will be on nurturing postgraduate students and young orthopaedic surgeons—equipping them with hands-on, skill-based learning and the confidence to manage complex limb reconstruction using Ilizarov techniques.

To facilitate broader engagement, we have simplified the membership process with an easy-to-use online registration system through our website, making it more accessible than ever to join the ASAMI India family.

I am fortunate to be supported by an enthusiastic and dedicated Executive and Working Committee. Guided by the wisdom and experience of our esteemed past presidents, I am confident that together we will lead ASAMI India to new academic and professional heights.

I would especially like to acknowledge the tireless efforts of Dr. Amar Soni, Secretary, ASAMI India, and Dr. Ravi Chauhan, Treasurer, ASAMI India—who were, and continue to be, unwaveringly by my side. Their commitment, collaborative spirit, and constant support have been instrumental in strengthening the foundation of our organisation.

I am also deeply thankful to the entire Executive Team, whose passion, dedication, and teamwork are the driving force behind every initiative we undertake.

Let us unite in purpose, strive for excellence, and build a stronger future—together.

Long Live ASAMI India!

ASAMICON 2026

ORGANISED BY ASAMI INDIA

SECRETARY'S MESSAGE

DR. AMAR SONI
SECRETARY, ASAMI INDIA
ORGANISING SECRETARY

I extend my heartfelt gratitude to each and every member of the ASAMI India family for placing their trust in me and giving me the honour to serve this esteemed organisation as the Honorary Secretary.

ASAMI India stands on the strong foundation laid by our visionary founding fathers, who worked with immense dedication to create an organisation rooted in academic excellence and innovation. Their successors, with equal passion and perseverance, have upheld and strengthened this proud legacy. *It is through the relentless efforts of our predecessors and the continued support of our vibrant member community that ASAMI India has grown into the distinguished institution it is today.*

Effective communication is the cornerstone of any successful organisation. To enhance our engagement with members and connect with orthopaedic surgeons across India and abroad, we have developed multiple digital platforms—our official website, Facebook page, Twitter account, and the ASAMI India YouTube channel. These platforms will serve as dynamic tools to share knowledge, updates, and opportunities, further strengthening our collective voice and visibility.

I consider myself fortunate to be working alongside a team of young and dynamic state representatives, as well as highly experienced ASAMI India faculty members, whose passion and expertise continue to fuel the growth of our organisation. It is truly a privilege to serve under the visionary leadership of our President, Dr. Jayant Sharma. With his guidance, the wisdom of our respected past presidents and secretaries, and the unwavering support of our Executive and Working Committee, I am confident that we will strengthen our membership, fulfil our objectives, and propel ASAMI India to greater heights.

One of my key areas of focus will be to cultivate a culture of recognition and appreciation—ensuring that the outstanding contributions of our members are acknowledged and celebrated. I will strive to create more avenues for our members to represent ASAMI India on prestigious national and international platforms, thereby elevating our association's presence and impact globally.

Let us grow together—for a better tomorrow for every member, and for the continued progress of ASAMI India.
Long Live ASAMI India!
